Dear Mr. Hirsig:

In accordance with Section 155 of the California Revenue and Taxation Code, I hereby request an extension of time to July 29, 2005 for the completion of the 2005/06 assessment roll.

Our county continues to experience growth in both real estate and new construction. At the current rate, we estimate the number of changes in ownership will exceed last year's workload 10% to 15%. New construction has increased by 3.5% over last year. Our Mapping Section has experienced a 4% increase in their workload. This workload increase has been coupled with tightened county budgets and staff reductions.

In addition to the increased workload, our office will be moving to a new location in the beginning of May. We anticipate that this will be a major impact to production for a minimum of 3 to 5 days.

Although we remain confident that a majority of our work will be completed by June 30, the current backlog and increased workload is such to make this request a necessity.

Sincerely,

Tom J. Bordonaro, Jr.
County Assessor

Attention: Ramon J. Hirsig

Dear Mr. Hirsig,

Please consider this letter as my official request for an extension of the deadline for filing the 2005-06 assessment rolls. This request is being made in accordance with Revenue and Taxation Code Section 155.

Budget related staffing problems have caused me to request this extension. Our total office staffing is only eighty-four percent of our 1988 staffing level. The recent growth in our workload has also added to the difficulty of delivering the assessment roll by July 1st.

Sincerely,

A handwritten signature in cursive script that reads "Kenneth Bunch".

Dear Ms. Cazadd,

This is an official request of behalf of Calaveras County for a 30 day extension for completion of the 2005-2006 Secured and Unsecured Assessment Rolls. This request is made in accordance with Section 155 of the Revenue and Taxation Code.

Calaveras County, has experienced a rapid rate of growth and a staff shortage over the past several years. This has resulted in an increased number of property sales, new construction and new businesses remaining to be assessed. There is a backlog of work to be completed for the 2005 roll. Therefore, a roll close extension to August 1, 2005 may be needed to achieve a fair and accurate assessment roll.

We will continue to make every effort to close the roll by June 30.

Thank you in advance for your favorable consideration in this matter.

Very truly yours,

Grant W. Metzger Jr., Assessor
